Scripture Meditation

O LORD, our Lord, how excellent is thy name in all the earth! who hast set thy glory above the heavens. Out of the mouth of babes and sucklings hast thou ordained strength because of thine enemies, that thou mightest still the enemy and the avenger. When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained; What is man, that thou art mindful of him? and the son of man, that thou visitest him?

Psalms 8:1-4

Observation

I've always been so fascinated with trying to wrap my Mind around how big God really is. He's the creator of the universe. He placed all the planets and stars in the sky. He's the architect of the mountains, flowers, and trees. Yet, He knows and understands each and every one of our needs. He still cares about all of our problems. He takes the time to send a rainbow, a song, or even a phone call from a friend.

Our God is omnipresent, and he always has us on His mind. He thinks of me and you when he puts our names on the hearts and minds of others. He thinks of me and you when He extends new grace and mercies every morning. He thinks of me and you when He challenges us to live holy and righteous. He thinks of me and you when He commands us to be the salt and light in this dark world.

I'm thankful that God loves us enough to be concerned about our concerns. I'm thankful that God loves us enough to know our dreams, desires, and our futures. I'm thankful that God loves us enough to challenge us and never to give us more than we can handle. I'm thankful that God loves us enough to allow us to learn and grow through serving Him and His people. I'm just so grateful and thankful that our Big God always has us on His mind.
