**November 29, 2021**

## **Power Quote**

Each of my days are miracle. I won't waste my day; I won't throw away my miracle.

**Kelly Vicstrom**

## **Glossary**

### **Uneducated**

The People were amazed at Peter and John, because despite the fact they were not educated in the rabbinical schools and had no formal training in Old Testament Theology, they were able to preach and teach with power and authority.

### **Council**

The council refers to the Sanhedrin. It served as the Jews' national ruling body and their supreme court. It was made up of 71 members and the High priest.

### **Prayer**

Lord, thank you for every storm that I've had to face. Help me to realize that you are my anchor. Don't allow me to trust in the boat, but in you. In Your Name I pray, **amen.**

## **Scripture Concentration**

"But when they failed to find them, they dragged Jason and some brothers before the city authorities, shouting, "These men who have turned the world upside down have come here too;"

**Acts 17:6**

### **Observation**

One of the greatest weapons in the Christian's arsenal is his or her testimony. The biggest blow to the devil is not how many Bible verse we can recite (and we ought to commit Scripture to memory), or how much time we spend in prayer (and we ought to pray without casing), but our greatest weapon is our testimony. Our testimony is the evidence of the power of prayer, the significance of Scripture and the authoritative anointing of the Almighty at work in our lives. Such was the testimony of the New Testament Church. It is said of them that they turned the world upside down.

Our cities are mired in misery. Our country is plagued with social ills. Our schools, families and economies are failing miserably. Yet there is still hope. Our hope is our Christian witness. Our hope is our testimony. Our hope is that we like the New Testament church we will turn this world upside down – or better yet, right side up.

## **Questions to Ponder**

1. If you were on trial for being a Christian would you be found guilty or innocent? Who would testify on your behalf? Who would testify against you?

---

2. What testimony would you like said about you at the time of your death? How are you living up to that now? What would you need to put that into place?
